TRANSMITTAL

Dear Sir:

Submitted herewith is an executed Supplemental Declaration relating to the above-identified application. The original Declaration filed with the United States Patent Office on December 12, 2000, inadvertently failed to include the priority application information relating to United States Provisional 60/174,119, filed December 31, 1999. The enclosed Supplemental Declaration properly identifies the claim for priority.

Applicant respectfully requests approval.

Respectfully submitted,
